## BIG SALE JUNE 10

BELLOWS BROS. WILL HAVE ANNUAL SALE AT THAT TIME.

## THEIR GREAT SUCCESS

Faith in the Reproducing Powers of the Best Strains of Cattle Fully Justified by Their Great Herd.

The Bellows Bros.' annual Shorthorn sale will be held at "Parkdale," the farm of C. D. Bellows, on June 10. This sale will be one of the biggest cattle sales in the country and will be attended by breeders from all the United States and a few from Canada. The following is taken from the Daily Drovers Telegram of Kansas City in regard to the sale:

Bellows Bros. of Maryville have achieved such success in the breeding and exhibiting of Shorthorn cattle that their name and their Shorthorns are known wherever representatives of this famous breed are found. The late Col. George P. Bellows and his brother C. D. Bellows, were the founders of this firm, and constituted it up to the time of the sudden death of Colonel Bellows some weeks since. The business will, however, be conducted under the same firm name, with Harold Bellows, the only son of Colonel Bellows, representing his interest in the firm. The annual sale which has come to be expected in June of each year, will be held this spring on Tuesday, June 10.

A trip to Maryville for the purpose of attending the Bellows sale this year will be amply justified. The fifty head of top Shorthorns that are listed for this approaching auction rank above the merit found in any of the previous sales at this famous breeding farm. Bulls and females of rare merit and breeding are catalogued, and will be sold on this occasion. The sale offering presents ample opportunity for the selection of foundation stock such as one would covet for the establishment of new herds, or adding to those which have already been established.

Bellows Bros. have achieved marked success with the bulls that they have had in service in the past few years. They placed great faith in the sons of the grand champion, Choice Goods, which they purchased before and after the record Tebo Lawn dispersion in June of 1906. Those who are familiar with Shorthorn affairs of that time will recall the fact that Bellows Bros. purchased from the Tebo Land & Cattle company in the winter of 1905, the young bull, Good Choice, a son of Choice Goods, and out of the Scotch Secret cow, Silence 2d. This bull they developed and used extensively with the best of results. At the sale of the Tebo Lawn cattle, they took an option on a roan bull calf sired by Choice Goods and out of the Scotch cow, The Runaway Girl, a daughter of Sweet Violet 2d, that sold at auction for \$3,705. This calf was delivered to them later, at the termination of the option, and was given the name of Best of Goods. Best of Goods was as great a success as his predecessor, and the combination of the use of the two bulls gave great returns. It has remained, however, for the mating of Good Choice with the great cow Sweetheart, to produce one of the greatest breeding bulls ever known to the Bellows herd. This bull is known as Diamond Goods, and he is a Diamond in truth. Such bulls as him are rare. In fact, there are few, if any, living.

Diamond Goods has already demonstrated his merit in the show ring by being made the champion bull at the Iowa state fair last year in his three-year-old form. At the Nebraska state fair he was not only the champion Shorthorn bull of the show, but was awarded the grand championship for the best bull of any breed in the entire competition. Diamond Goods concluded his good record of the year by being the reserve grand champion bull at the International of 1912. He is a show bull at every point. But, best of all, he is able to transmit to his offspring those great qualities which are sought by every man who is in quest of the proper type of

bull to place at the head of his herd.

Much interest should therefore center about the half dozen sons of this great bull that will be offered in the coming sale. Each and every one of them is truly a Diamond. They are all roans, of the most desirable shade, with the breed character and depth of body that has been so firmly set upon them by their illustrious sire, and through generations of equally superb ancestry. These young bulls and the Choice Goods bulls which are their immediate ancestors, demonstrate the tendency of this particular line of blood to reproduce itself. It is therefore dependable. The cows with calves at foot by Diamond Goods will furnish further proof of the judgment of the Bellows firm in selecting this great bull as the proper one to head one of the best herds of breeding cows in this country.

## RELATIVES CAME FOR BURIAL.

The Body of Colonel F. D. Norton of St. Louis Laid to Rest Wednesday Morning in Miriam Cemetery.

Mrs. F. D. Norton and daughter, Miss Margaret, and Mrs. Norton's brother, Ralph Paschal, arrived in Maryville Wednesday morning from St. Louis, with the body of Mrs. Norton's late husband, Colonel Frank D. Norton, who died Monday morning at their home, 3504 Holliday avenue, in that city, after an illness of nephritis since February.

Mrs. Norton was met on her way to Maryville by relatives of her late husband, Mr. and Mrs. O. H. Dawson of Denver, Mo., W. T. Dawson, J. L. Dawson and J. S. Dawson of Grant City, who accompanied her to Maryville for the burial. All the gentlemen of this party are cousins of the late Mr. Norton. A nephew of Mrs. Norton, Fred D. Newton of Clearmont, was in Maryville to meet the party on its arrival.

Colonel Norton was assistant superintendent of the railway mail service in St. Louis and had been in the service since 1885. He served on the road until 1894, when he was appointed superintendent of the St. Louis branch by President Cleveland. In 1899 he was made assistant superintendent by President McKinley, his place being taken by Sill P. Taft, the present superintendent.

The services at the cemetery were conducted by Rev. Claude J. Miller of the First Christian church. The pallbearers were: James B. Robinson, J. D. Frank, George L. Wilfley, Henry Westfall, G. B. Roseberry and J. R. Brink.

## DEATH AT BURLINGTON JUNCTION

Grandma Ferguson Passed Away Tuesday Afternoon at Two O'Clock from Sickness Due to Old Age.

Mrs. Luttia Catherine Ferguson died at 2 o'clock Tuesday afternoon at her home four miles east of Burlington Junction of peritonitis from which she had been ill a week. Mrs. Ferguson had been in feeble health for some time previous. She was 79 years old last November. She was the widow of Darius B. Ferguson, whose death occurred ten years ago.

The funeral services will be held Thursday morning at 10 o'clock at Mrs. Ferguson's late home and will be conducted by Rev. John W. Love of the Christian church of Burlington Junction. Burial will take place in the Hazel Dell cemetery.

Mrs. Ferguson was born and reared near Warrensburg, Mo. Her maiden name was Luttia Kinder. She was married in Nodaway county to her late husband, sixty-three years ago. Eight of the eleven children born to them survived and are: Bailey, Robert and Charles Ferguson of near Burlington Junction; Thomas Ferguson of Dawson, N. Mex.; James Ferguson of Ely, Nev.; Mrs. W. E. Nicholas and Mrs. Jud Graves of Burlington Junction, and Mrs. O. M. Gray of Hopkins.

## Went to Des Moines.

Frank H. Shepherd, head of the manual training department of the Normal, left Wednesday for Des Moines, Ia., where he will attend the Western Drawing and Manual Training Association meeting, which will be held in the auditorium of the Coliseum at that place on Wednesday, Thursday, Friday and Saturday.

## To Attend Medical Meeting.

Dr. C. T. Bell expects to leave this week for St. Louis where he will attend the State Medical Society meeting which will be in session on May 13, 14 and 15. Dr. Bell will represent the Nodaway county medical society.

## Tent Meeting at Clearmont.

Hankins and Howey are holding a series of meetings at Clearmont, beginning Tuesday night. The outlook for a good meeting is good. You are invited to come and it will do you good.

## TO OBSERVE DAY

G. A. R. AND RELIEF CORPS WILL HAVE MEMORIAL SERVICES.

## ADDRESSES AT CHURCH

Declamatory Contest by S. S. Scholars at Church—Exercises and Speaking in Court House Yard.

Arrangements are being made by the Sedgwick Post G. A. R. and the Women's Relief Corps for Memorial day on May 30. The program is not yet ready to announce.

There will be a declamatory contest on the afternoon of that day and each protestant church Sunday school is requested to have a representative. There are only two requirements, that the address be patriotic and not exceed ten minutes in length. The declamatory contest will be held at the First M. E. church at 2 o'clock. The prizes awarded to the winners are: First prize, \$5; second, \$4; third, \$3; fourth \$2, and fifth, \$1.

After the exercises, a procession will be formed and they will march to the court house yard, where band music will be furnished and Rev. Gilbert Cox of the First M. E. church and Rev. J. D. Randolph of the Buchanan Street Methodist church will speak.

The following is a statement issued by C. H. John, patriotic instructor of Sedgwick Post, and by Mrs. R. M. Black, patriotic instructor of the W. R. C.:

"To the people of Maryville:—Another Memorial day is near at hand. Friday, May 30, is the date. This day is so universally observed, North and South, East and West, that it has become, indeed, a national holiday. A joint committee of Sedgwick Post G. A. R. and of the Women's Relief Corps have already the arrangements well under way for the proper observance of the day. The contest feature last year between representatives of the various Sunday schools met with such universal favor that the committee decided on the same for this year and in exactly the same manner as last year. We earnestly hope that each of the five Sunday schools of the city will be represented in the contest. The prizes will be awarded the same as last year. The regular Memorial day exercises will be in the court house yard, much the same as last year. In order that we may get as large a benefit out of the day as possible, we ask the Commercial club, all of the various fraternal orders and all the people to join with us in these exercises. Turn out with your flags and banners and help to form a procession that all will be proud of. A complete program will be published about May 20."

## WILL SPEAK HERE.

Miss Mabel Carney of State Normal of Illinois at Normal to Talk to the Teachers.

County Superintendent W. M. Oakerson received a letter Wednesday from Miss Mabel Carney that she would be able to address the Northwest Missouri teachers' association to be held in Maryville on October 30, 31 and November 1. Miss Carney is connected with the State University Normal of Illinois and is the author of one of the reading circle books on rural community life. Her lecture will be given on November 1.

The teachers meeting this year will be a joint affair and the teachers of Nodaway, Andrew, Atchison, Worth, Gentry and Holt counties will meet here.

## SKIDMORE AFTER ROAD.

That Town Will Make an Effort to Secure the County Seat Highway to Oregon.

The citizens of Skidmore are getting busy to go after the county seat highway from Maryville to Oregon and stand a very good chance to secure the road. Graham will also make an effort for this road.

A number of other towns will also make an effort to secure these roads as there will be six of them.

## TAYLOR TO TEXAS

NORMAL PRESIDENT WILL LOCATE AT ARLINGTON.

## SONS-IN-LAW WITH HIM

Have Bought Carlyle Military Academy and Will Be Associated Together.

Prof. V. I. Moore, head of the department of Latin and French, and director of athletics at the Northwest Normal, announced Wednesday that he, together with former President H. K. Taylor of the Normal, and Prof. J. J. Godby, a son-in-law of Dr. Taylor, have purchased the Carlyle Military Academy, a preparatory school located in Arlington, Texas. The deal was made by Dr. Taylor, who is traveling through the South at present in an attempt to regain his health, and by Prof. Godby, who has been an instructor in the Texas institution for the past two years.

The Carlyle school has a staff of six teachers and an enrollment of about 75 students at the present time. The new management will take charge of the school at the beginning of the fall term in September. Professors Moore and Godby will act as principals and instructors in the institution while Dr. Taylor, who will be at the head of the school, will spend a large part of his time as solicitor for the institution.

Professor Godby is very favorably known in this locality, having attended the local Normal three years ago, and later served as superintendent of schools at Maitland. He resigned that position to accept the one which he now holds.

Professor Moore has been connected with the Northwest Normal for the past three years, during which time his work has been of the highest order. His crowning achievement as instructor of athletics here has been the management of the Northwest Missouri inter-high school track meet and literary contests for the last three years. His success in this work has been almost phenomenal. Mr. Moore will remain in the local institution until the end of the summer term, at which time he will submit his resignation to the board of regents.

Doctor Taylor's family will move to Arlington the last of this month.

## MATERIAL WILL BE HERE.

Thirty-Six of the White Way Poles Here by Thursday Noon—Other Material Here Next Week.

Manager C. C. Hellmers of the electric light company announced today that Maryville's white way for ten blocks in the business section will be completed by June 1 and will then be ready. Thirty-six of the poles will be here by Thursday noon and work will start at once on putting up these poles. The balance of the poles and the other material will be received next week. The cable is all in.

## TO HOLD FIVE-DAY SESSION.

Burlington Junction Will Have Chautauqua This Year.

Burlington Junction is to have a five-day chautauqua under the management of the Redpath-Vawter bureau. The organization was perfected Tuesday by the election of the following officials: President, Rev. L. C. Sappinfield; vice-presidents, R. D. Corkin, Rev. John W. Love and Lon Monk; secretary, Walter Mendenhall, and treasurer, R. H. Barber.

The dates selected are July 31 to August 4, inclusive. The assembly will be held in the Nicholas park in the south part of the town. Twenty-five business men and citizens are members of the organization.

## Sold Zenders Property.

The Dr. Zenders property on South Buchanan street was sold through Holmes & Wolfert, real estate dealers, to Miss Ella Risban.

Mr. and Mrs. C. Layman went to Excelsior Springs Wednesday morning for a few weeks' stay.

## CAPITALIZED AT \$12,000.

A New Corporation, The United States Copper Cable Co., Located Here.

The United States Copper Cable Co. is a new factory for Maryville and are manufacturing a system of lightning conductors called the "perfection system." Corporation papers were taken out recently and the stockholders of the company are John Z. Cernutt, G. Matter and Eldon Lloyd, Mr. Cernutt being president and manager, Mr. Matter, vice-president, and Mr. Lloyd, secretary-treasurer. The company is capitalized at \$12,000.

The "perfection system" of a practically straight soft copper cable of thirty-three wires with no joints, and the cable is so constructed that it has more circulation and ventilation than other cables on the market, giving it more surface, hence more conductivity and carrying capacity. It has a one-piece top without a joint, which is also in a class to itself, being formed in the shape of two half-round pieces when in position held firmly by clamps and elbows apart and in position on the cable, giving the inside as well as the outside surface of the metal as a conductor with six points on each top, giving double the carrying capacity of any other top on the market. This top, as well as the cable, is manufactured in Maryville.

## HEIRS REACH AN AGREEMENT.

Personal Effects of Late Millionaire, Alonzo Thompson of Denver, Divided.

A dispatch from Denver, Colo., says: All breaches between the heirs of the late Alonzo Thompson were healed today at a dinner given by Mrs. Annie Laurie Thompson to Mr. and Mrs. E. P. Lindley of Nevada, Mo. Lindley, who is a lawyer and knows the cost of litigation, accepted the invitation of Mrs. Thompson with a view of settling all differences. Alonzo Thompson, Jr., also was present.

The four went to the old home of the Thompsons at 1170 Humboldt street and divided the personal effects. Each selected what he or she most desired, and then gave a receipt to Executor Albert Thompson. Mrs. Lindley will ship her portion to her home at Nevada, Mo., and Alonzo Thompson, Jr., will store his in Denver.

They separated with an agreement to meet today and divide the remainder of the property, about \$300,000 in notes and mortgages and real estate.

Lindley wishes to avoid the cost of an administration. The heirs have been satisfied with the will and the contest has been entirely over the place of probating the instrument.

## FIGHT FOR TARIFF BOARD IS LOST

### House Passes to Consideration of Income Tax Feature.

### APPEAL FROM RULING VAIN.

Objection of Underwood That Provision Is Not Germane to Measure Sustained by Chair—Republican Opposition to Free List Overwhelmed.

Washington, May 7.—The overwhelming Democratic majority in the house swept by the free list, bowed over all opposition to free wool, free meats and other necessities and passed on to the consideration of the \$100,000,000 income tax feature of the Underwood tariff bill. Not a dissent was made in the bill as approved by the ways and means committee majority and it is expected that the measure as a whole will be passed unamended by the house today.

Representative Mondell got permission to offer an amendment providing that all rags imported must be cleaned and sterilized, and delivered a diatribe on "Democratic rags."

### Sparring Across Aisle.

There was sparring across the aisle dividing the Democrats and the Republicans all day.

Many amendments were offered by Republicans in a forlorn effort to put many free listed articles back on the dutiable list, but all were voted down with a regularity that brought smiles from the minority. Finally, when the last of these proposed changes was rejected, Representative Payne precipitated a lively rules fight by offering a brand new amendment to create a tariff commission.

It was all over quickly. Representative Garrett (Tenn.), in the chair, sustaining a point of order made by Underwood that the tariff commission amendment was not germane to the bill. When Mann appealed from the decision, the house sustained the chair, 164 to 87.

### 25 HURT IN STRIKE RIOTS

#### Eight Officers Are Injured and Two of the Strikers Will Die.

Syracuse, N. Y., May 7.—Twenty-five men, policemen and Italian strikers, were hurt in a pitched battle here, and the mayor and sheriff have decided the militia shall be called out. The revolvers of the police were matched against guns, stones and clubs of the strikers. Two of the strikers were mortally wounded. Eight policemen were hurt, four of whom are in the hospitals suffering from wounds inflicted by bricks and stones. The riots, which were the outcome of a laborers' and hodcarriers' strike, which has been in progress here, were fiercest in front of the Catholic cathedral of the Immaculate Conception. There were also in several other parts of the city. All ambulances in the city rushed the wounded to the hospitals.

### SCHOOL BOYS START

#### A HUNGER STRIKE.

New York, May 7.—"Wearied of the same old songs" in the morning and "the same old grub at noontime," the 3,000 pupils of the Stuyvesant high school are agitated by a strike movement. It began when 1,200 boys assembled in the auditorium and refused to sing "Hymn 266."

Balking at the food served in the school lunch room, the lads also started a hunger strike, but this has not proven so popular.

### Monarchists Sent to Azores for Trial.

Lisbon, May 7.—The Portuguese government has dispatched all the political prisoners arrested for complicity in the last attempt to overthrow the present republic on Sunday, April 27, to the Azores for trial and punishment. The families of the accused are terrified by the step taken by the government and express fear as to what may happen when their relatives arrive on the island.

### Offers Reward for Body of Murderer.

Columbia, S. C., May 7.—In a proclamation Governor Blease offered a reward of \$500 for the body of Richard Austin, the negro who killed two white men and fatally wounded a third near Hampton, S. C., Wednesday. The governor's proclamation specified that the reward will be paid for the body of Austin, "just so there is enough of it to be recognized." A price of \$2,500 is now on Austin's head.

### Picking Jury to Try Jack Johnson.

Chicago, May 7.—The federal jury to try Jack Johnson, the negro heavyweight champion prize fighter, on an indictment charging violation of the white slave act probably will be completed today. It is expected that Belle Schreiber, the government's chief witness against Johnson, will be put on the stand at once.

### Proposes to Divide California.

Sacramento, Cal., May 7.—A proposal to divide the state of California at Tehachah pass, naming the northern half "California" and the remainder "South Cafeteria," is made in a resolution introduced in the senate by Senator John B. Hanford of Ukiah, Democratic national committeeman.

### DIED IN SOUTH DAKOTA.

#### Body of Mrs. Claude H. Sewell Laid to Rest Tuesday in Graham Cemetery—Died of Tuberculosis.

Claude H. Sewell and his three little children of Winner, South Dakota, arrived in Skidmore Monday night with the body of their wife and mother, who had died Friday, May 2, in their home in South Dakota, after an all winter's illness of tuberculosis.

Funeral services were held Tuesday afternoon at the home of a sister of Mrs. Sewell, Mrs. L. E. Teson, three miles southeast of Skidmore, where the body was taken Tuesday morning. The services were conducted by Rev. Roscoe Miller, pastor of the First Baptist church of Moberly, Mo., who was the pastor of the deceased during his pastorate of the Graham Baptist church a number of years ago.

Burial took place in Graham cemetery.

Mrs. Sewell's maiden name was Martha Pope. She was 32 years old at the time of her death. She was married to her husband seven years ago at the home of her parents, Mr. and Mrs. L. J. Pope, near Graham. Her father's death occurred four years ago. Surviving Mrs. Sewell are her husband and their three children, Alice, aged six; J. M., aged 4, and Albert, aged 18 months. Also her mother, Mrs. Sarah E. Pope of near Skidmore, two sisters and four brothers, Mrs. L. E. Teson of near Skidmore, Mrs. Bertha Osborn and J. L. Pope of Battle Creek, Neb.; H. M. Pope of Graham, J. R. Pope and T. E. Pope of near Skidmore.

Mrs. Sewell was born and raised in the Graham vicinity and was one of its sweetest and best young women. Her husband, little children and relatives have the sincere sympathy of all in their bereavement.

### SUMMER TERM OPENS MAY 28.

#### Record Attendance Expected this Summer at Normal—Special Lectures a Feature.

The spring quarter of the Northwest Normal closes Wednesday, May 21, and the summer term will open just a week later, Wednesday, May 28. For the last six weeks letters have been coming daily to Mrs. A. R. Perrin, dean of women, from prospective students for the summer school, a great many of whom have never before attended the local school. The authorities at the Normal anticipate a large enrollment for the summer school and the teaching force will be increased accordingly.

A new feature of the summer work will be the special lectures given from time to time by men of national repute. Dr. Henry Suzzallo, teacher of educational sociology in the Teachers' College, Columbia University, will be here June 9, 10 and 11, for two lectures each day. He will discuss the present day educational problems in a way that will make them of extreme interest to all. On the first of August Frank Stockdale will deliver his great illustrated lecture, "The Dawn of Plenty." The term closes August 6.

### Warrant for St. Louis Banker.

St. Louis, May 7.—A federal warrant for the arrest of H. C. Baseler, paying teller of the Third National bank, who is charged by officers of the bank with the embezzlement of \$15,000, was placed in the hands of a marshal.

### New Capitol Started.

Jefferson City, Mo., May 7.—Construction of a new \$3,500,000 state capitol for Missouri began here. It is expected that the building will be ready for occupancy by the close of Governor Major's administration.

### Guests From Kansas City.

Misses Marie and Louise Curtin of Kansas City are visitors at the home of Mr. and Mrs. Frank Barmann, guests of Miss Laura Barmann.

The Ladies' Aid Society of the First M. E. church will be the guests of Mrs. Charles D. Bellows and Miss Clara Bellows Thursday afternoon at 2:30 o'clock, at Mrs. Bellows' home, "Parkdale," two miles southwest of Maryville.

## Jewel Art Club Meeting.

Miss Cleo Grundy entertained the Jewel Art club at her home Tuesday evening. There was the usual work and embroidery and an impromptu musical during the social hour by the guests. Luncheon was served. The members of the club present were Misses Maymie Brewer, Daisy Allen, Mildred and Lois Cummings, Hazel Martin, Hazel Gove, Angie VanHorn, Bernice Cast, Lola and Ora King. The absent members were Dora and Maggie Allen and Mayme Tilson. Miss Tilson was in St. Joseph for a day's visit with friends.

## Economics Division.

"Care and Preparation of Food" was the subject for the economics division of the Twentieth Century club, which met at the Elks' club Tuesday afternoon. To say that this was the best meeting of the season, would be unfair to other members, who in turn endeavored to make their part in the program, at previous meetings, interesting and instructive. Perhaps it was because it was the final meeting of the year and we were loath to leave, which made it seem of unusual interest. Mrs. John Lesh's paper, combining the two subjects, "Characteristics of Food Stuffs as Related to Their Cookery," and "Relation of Cookery to General Welfare," was carefully prepared and well received. Miss Rena Strum presented some new features in her paper on "Cookery of meats and eggs." Rather by preference than by force, it has been the rule for each one to prepare a paper upon the subject assigned her. Mrs. E. L. Harrington, however, departed from this rule and told in a clear, intelligent manner about the "Proper and Improper Use of Sugar." One member was heard to remark later: "What an accomplishment it is to be able to tell what you know without depending on a paper." Another thought it a good idea to have a system of training in our schools to develop or cultivate the faculty for making talks upon subjects presented—and it is not a bad idea. Miss Jessie Parcher conducted the discussion and it was all about sugar too. The kiddies will be glad to know that she and Mrs. Harrington succeeded in convincing most of the mammas that sugar and candy are wholesome and not harmful, unless eaten in excess. So be good, children, and you may have lots and lots of sugar and candy. At last month's meeting Miss Parcher's paper on "Home-made vs. Baker's Bread" was so well liked that it was repeated at this meeting by special request. There are breads and breads and she told most all about them—in such a way, too, as to make all of us wish to be real good breadmakers. A communication from Mrs. Ess of Kansas City imparted the pleasant news that it will be possible for her to visit Maryville in the near future. It will be remembered that Mrs. Ess was to have delivered a lecture to the Twentieth Century club and guests in March, but on account of illness, canceled the engagement. Mrs. Ess is appreciated in Kansas City for her work there along civic lines and is recognized throughout the state as being a most active and efficient club woman. As a grand finale to the oc-

casion, the chautauqua salute was given the retiring president, Miss Parcher, and the economics department adjourned to meet in September.

## CRYING FOR HELP.

## Lots of It in Maryville But Daily Growing Less.

The kidneys often cry for help. Not another organ in the whole body more delicately constructed; Not one more important to health. The kidneys are the filters of the blood.

When they fail the blood becomes foul and poisonous.

There can be no health where there is poisoned blood.

Backache is one of the frequent indications of kidney trouble.

It is often the kidneys' cry for help. Heed it.

Read what Doan's have done for Maryville people.

I. M. Wood, 708 East Jenkins street, Maryville, Mo., says: "I got Doan's Kidney Pills from Love & Gaugh's drug store and I well remember the relief they gave me from lumbago and other symptoms of kidney trouble. I gladly endorse them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

## SYMPTOMS OF CONSUMPTION.

## Yield to Vinol.

The medical profession does not believe that consumption is inherited, but a person may inherit a weakness or tendency to that disease.

A prominent citizen of Evansville, Ind., writes: "I was ill for five months with a pulmonary trouble, and had the best of doctors; I had hemorrhages and was in a very bad way. Through the advice of a friend I tried Vinol, and I feel that it saved my life. It is all you recommend it to be. I believe it is the greatest medicine on earth. I have advised others to try Vinol, and they have had the same results." (Name furnished on request.)

Vinol soothes and heals the inflamed surfaces and allays the cough, Vinol creates an appetite, strengthens the digestive organs and gives the patient strength to throw off incipient pulmonary diseases.

Try a bottle of Vinol with the understanding that your money will be returned if it does not help you.—Orear-Henry Drug Co., Maryville, Mo.—Advertisement.

## Surest Way to End Catarrh.

Go to Orear-Henry Drug Co. and say: "I want A HYOMEI outfit." Take it home—pour a few drops of HYOMEI from the bottle into the little hard rubber inhaler—breathe it for five minutes and note the refreshing relief—breathe it four or five times a day for a few days and Catarrh and all its symptoms will gradually disappear.

Booth's HYOMEI is balsamic air; it contains no opium, cocaine or other harmful drug and is sold on money back plan for Catarrh, Croup, Colds and Coughs. Complete outfit (includes inhaler) \$1.00—extra bottles if later needed, 50 cents at Orear-Henry Drug Co., and druggists everywhere. Simple instructions for use in every package—you can't fail. Just breathe it—no stomach dosing.—Advertisement.

Summer Board  
in Colorado  
Very Moderate  
Charges

"I'd like to go to Colorado," said a man the other day, "but it costs so much to live there that I'm afraid I—"

"Forget it," said his friend, who had spent a month last summer seeing the show places of the Wonder State. "I had the same idea myself last year until I got that folder the Burlington gets up telling the hotel rates. And I was mightily surprised to find that, besides the hotels, which are as elaborate as you please, there are hundreds of good, cleanly, wholesome ranch houses in Colorado, where the rates are as low as \$8.00 a week, and they give you mighty good fare."

That folder is published by the Burlington railroad to show folks how they can enjoy a vacation in Colorado at a very reasonable expense. And I'd like to mail you a copy of it—free. It tells all about the country, gives a complete list of hotels and boarding houses, addresses, rates, conveniences, elevation and nearby attractions.

Let me send these, and if you wish I can tell you all about the trains and cost of railway tickets to the most wonderfully charming country in America. Send me a postal quick.

### FASCINATING HAIR.

Easy to Stop Hair Falling Out, and Dandruff Also.

No one doubts that it is the duty of every woman to look as charming as possible. Every woman knows why she wants to be beautiful and attractive.

A woman with scant hair, dull and lifeless, has lost half her charm. How many times have we heard the expression "the crowning glory of a woman is her hair."

Nowadays, thanks to Parisian Sage, almost every woman can have hair so radiant and so glorious that it attracts, fascinates and compels admiration.

Parisian Sage, the scientific and ideal hair rejuvenator and tonic, will cause hair to grow. It will turn harsh, withered hair into lustrous and bewitching luxuriant hair in a few days. It is a most delightful hair dressing that kills the dandruff germs, stops falling hair, and eradicates dandruff in two weeks, or your money back.

A large 50 cent bottle is sold by the Koch Pharmacy and dealers everywhere on the money back plan.—Advertisement.

### START ON THE NEW CAPITOL.

Ground Broken at Jefferson City While Officials Made Speeches.

Ground for the new state capitol was broken officially yesterday at Jefferson City in the presence of all the state officials, judges of the supreme court, municipal and county officers and a large number of citizens. Col. E. W. Stephens of Columbia, chairman of the capitol commission, was the master of ceremonies and turned the first spade of earth.

In his address to the gathering Colonel Stephens said he was willing to be placed in the Ananias club of the future if the new capitol was not dedicated within three years. He said it would cover three and one-half acres and be the most impressive capitol in the United States. The commissioners, he said, had pushed the work along as fast as possible, and he predicted that there would be none of the scandals so common in the construction of state capitols connected with the Missouri building.

Governor Major followed with a brief address in which he complimented the people of Missouri on their prospects of a fine statehouse and their good judgment on voting bonds to pay for it. He said the day's event would live in history, that there was not a person in Jefferson City now who saw the breaking of ground for the old capitol back in 1838, and many generations will have lived and died before the building about to be erected will be replaced.

Members of the commission and several of the state officers also furnished oratory. The work of constructing the foundation started yesterday afternoon.

### Re-Arranging Fire Barn.

The interior of the fire barn in the old city hall building is being re-arranged and will make it much better. Instead of having the horses stalls back of the fire wagon, they will be placed one on each side of the wagon. The space the stalls formerly occupied will be used for a feed room. Back of this will be the city jail.

Many of the city officials are busy today working on the building. They were Mayor Robey, Marshal Moberly (in his working clothes), Claude Stultz, the fire driver, and a few others.

### Mothers' Day at Pickering.

The Methodist and Christian churches at Pickering will observe Mothers' Day tomorrow. The program at both the morning and evening services. The programs are not quite completed.

Mrs. C. C. McMillen spent the day Tuesday in Maryville with friends.

Mrs. Edith Alexander returned Tuesday night from a visit with St. Joseph relatives and friends.

From 4 to 20 years old, weighing from 1100 to a ton. I buy every day in the year, and pay the high dollar. Show me your horses first, then sell to the high bidder. Remember the first look to me will make you money. Maryville every Saturday.

Jim Andy Ford

OF COURSE you admit the value of the automobile for any one who has to go from one place to another—and wants to get there and back quickly.

Overland Model 69T  
Price \$985 F. O. B. Factory

We all agree on that point.

The cost of the automobile is what is worrying you, maybe.

You wonder is it worth the money—to you.

Have you ever noticed that when a man buys an automobile, and, after using it, either in his business or for pleasure, or for both, sells it, always buys another one?

Yes? Well, that's the answer.

Buy an automobile, find out that its price is an investment rather than an expense, and you can't do without it. You wouldn't want to.

Because you will have found that the car is worth more to you than it cost you, that it has added to your capacity of doing business, that it made one hour do the work of three, that the store, the theatre, the folks ten miles away, have suddenly become your next door neighbors, that it has given a store of health to you and your family.

Which automobile?

The Overland—because it is the best value that money can buy.

Whatever your notions are as to what an automobile should be to do justice to your requirements, whether you value power, comfort, impressive appearance, low cost of upkeep, or the kind of durability—Overland durability—that makes the possession of a car a source downright satisfaction, you can't afford to consider any automobile without first investigating the new Overland.

At least come and have a look at it. Take a ride, then ask those who have already bought. Compare it with others.

Then draw your own conclusions. That's all we ask.

## BIG SALE JUNE 10

BELLOWS BROS. WILL HAVE ANNUAL SALE AT THAT TIME.

## THEIR GREAT SUCCESS

Faith in the Reproducing Powers of the Best Strains of Cattle Fully Justified by Their Great Herd.

The Bellows Bros.' annual Shorthorn sale will be held at "Parkdale," the farm of C. D. Bellows, on June 10. This sale will be one of the biggest cattle sales in the country and will be attended by breeders from all the United States and a few from Canada. The following is taken from the Daily Drovers Telegram of Kansas City in regard to the sale:

Bellows Bros. of Maryville have achieved such success in the breeding and exhibiting of Shorthorn cattle that their name and their Shorthorns are known wherever representatives of this famous breed are found. The late Col. George P. Bellows and his brother C. D. Bellows, were the founders of this firm, and constituted it up to the time of the sudden death of Colonel Bellows some weeks since. The business will, however, be conducted under the same firm name, with Harold Bellows, the only son of Colonel Bellows, representing his interest in the firm. The annual sale which has come to be expected in June of each year, will be held this spring on Tuesday, June 10.

A trip to Maryville for the purpose of attending the Bellows sale this year will be amply justified. The fifty head of top Shorthorns that are listed for this approaching auction rank above the merit found in any of the previous sales at this famous breeding farm. Bulls and females of rare merit and breeding are catalogued, and will be sold on this occasion. The sale offering presents ample opportunity for the selection of foundation stock such as one would covet for the establishment of new herds, or adding to those which have already been established.

Bellows Bros. have achieved marked success with the bulls that they have had in service in the past few years. They placed great faith in the sons of the grand champion, Choice Goods, which they purchased before and after the record Tebo Lawn dispersal in June of 1906. Those who are familiar with Shorthorn affairs of that time will recall the fact that Bellows Bros. purchased from the Tebo Land & Cattle company in the winter of 1905, the young bull, Good Choice, a son of Choice Goods, and out of the Scotch Secret cow, Silence 2d. This bull they developed and used extensively with the best of results. At the sale of the Tebo Lawn cattle, they took an option on a roan bull calf sired by Choice Goods and out of the Scotch cow, The Runaway Girl, a daughter of Sweet Violet 2d, that sold at auction for \$3,705. This calf was delivered to them later, at the termination of the option, and was given the name of Best of Goods. Best of Goods was as great a success as his predecessor, and the combination of the use of the two bulls gave great returns. It has remained, however, for the mating of Good Choice with the great cow Sweetheart, to produce one of the greatest breeding bulls ever known to the Bellows herd. This bull is known as Diamond Goods, and he is a Diamond in truth. Such bulls as him are rare. In fact, there are few, if any, living.

Diamond Goods has already demonstrated his merit in the show ring by being made the champion bull at the Iowa state fair last year in his three-year-old form. At the Nebraska state fair he was not only the champion Shorthorn bull of the show, but was awarded the grand championship for the best bull of any beef breed in the entire competition. Diamond Goods concluded his good record of the year by being the reserve grand champion bull at the International of 1912. He is a show bull at every point. But, best of all, he is able to transmit to his offspring those great qualities which are sought by every man who is in quest of the proper type of

bull to place at the head of his herd.

Much interest should therefore center about the half dozen sons of this great bull that will be offered in the coming sale. Each and every one of them is truly a Diamond. They are all roans, of the most desirable shade, with the breed character and depth of body that has been so firmly set upon them by their illustrious sire, and through generations of equally superb ancestry. These young bulls and the Choice Goods bulls which are their immediate ancestors, demonstrate the tendency of this particular line of blood to reproduce itself. It is therefore dependable. The cows with calves at foot by Diamond Goods will furnish further proof of the judgment of the Bellows firm in selecting this great bull as the proper one to head one of the best herds of breeding cows in this country.

## RELATIVES CAME FOR BURIAL.

The Body of Colonel F. D. Norton of St. Louis Laid to Rest Wednesday Morning in Miriam Cemetery.

Mrs. F. D. Norton and daughter, Miss Margaret, and Mrs. Norton's brother, Ralph Paschal, arrived in Maryville Wednesday morning from St. Louis, with the body of Mrs. Norton's late husband, Colonel Frank D. Norton, who died Monday morning at his home, 3504 Holliday avenue, in that city, after an illness of nephritis since February.

Mrs. Norton was met on her way to Maryville by relatives of her late husband, Mr. and Mrs. O. H. Dawson of Denver, Mo., W. T. Dawson, J. L. Dawson and J. S. Dawson of Grant City, who accompanied her to Maryville for the burial. All the gentlemen of this party are cousins of the late Mr. Norton. A nephew of Mrs. Norton, Fred D. Newlon of Clearmont, was in Maryville to meet the party on its arrival.

Colonel Norton was assistant superintendent of the railway mail service in St. Louis and had been in the service since 1885. He served on the road until 1894, when he was appointed superintendent of the St. Louis branch by President Cleveland. In 1899 he was made assistant superintendent by President McKinley, his place being taken by Sill P. Taft, the present superintendent.

The services at the cemetery were conducted by Rev. Claude J. Miller of the First Christian church. The pallbearers were: James B. Robinson, J. D. Frank, George L. Wilfley, Henry Westfall, G. B. Roseberry and J. R. Brink.

## DEATH AT BURLINGTON JUNCTION

Grandma Ferguson Passed Away Tuesday Afternoon at Two O'Clock from Sickness Due to Old Age.

Mrs. Luitia Catherine Ferguson died at 2 o'clock Tuesday afternoon at her home four miles east of Burlington Junction of peritonitis from which she had been ill a week. Mrs. Ferguson had been in feeble health for some time previous. She was 79 years old last November. She was the widow of Darius B. Ferguson, whose death occurred ten years ago.

The funeral services will be held Thursday morning at 10 o'clock at Mrs. Ferguson's late home and will be conducted by Rev. John W. Love of the Christian church of Burlington Junction. Burial will take place in the Hazel Dell cemetery.

Mrs. Ferguson was born and reared near Warrensburg, Mo. Her maiden name was Luitia Kinder. She was married in Nodaway county to her late husband, sixty-three years ago. Eight of the eleven children born to them survived and are: Bailey, Robert and Charles Ferguson of near Burlington Junction; Thomas Ferguson of Dawson, N. Mex.; James Ferguson of Ely, Nev.; Mrs. W. E. Nicholas and Mrs. Jud Graves of Burlington Junction, and Mrs. O. M. Gray of Hopkins.

## Went to Des Moines.

Shepherd, head of the manual training department of the Normal, left Wednesday for Des Moines, Ia., where he will attend the Western Drawing and Manual Training Association meeting, which will be held in the auditorium of the Coliseum at that place on Wednesday, Thursday, Friday and Saturday.

## To Attend Medical Meeting.

Dr. C. T. Bell expects to leave this week for St. Louis where he will attend the State Medical Society meeting which will be in session on May 13, 14 and 15. Dr. Bell will represent the Nodaway county medical society.

## Tent Meeting at Clearmont.

Hankins and Howey are holding a series of meetings at Clearmont, beginning Tuesday night. The outlook for a good meeting is good. You are invited to come and it will do you good.

## TO OBSERVE DAY TAYLOR TO TEXAS

G. A. R. AND RELIEF CORPS WILL HAVE MEMORIAL SERVICES.

## ADDRESSES AT CHURCH

Declamatory Contest by S. S. Scholars at Church—Exercises and Speaking in Court House Yard.

Arrangements are being made by the Sedgwick Post G. A. R. and the Women's Relief Corps for Memorial day on May 30. The program is not yet ready to announce.

There will be a declamatory contest on the afternoon of that day and each protestant church Sunday school is requested to have a representative. There are only two requirements, that the address be patriotic and not exceed ten minutes in length. The declamatory contest will be held at the First M. E. church at 2 o'clock. The prizes awarded to the winners are: First prize, \$5; second, \$4; third, \$3; fourth \$2, and fifth, \$1.

After the exercises, a procession will be formed and they will march to the court house yard, where band music will be furnished and Rev. Gilbert Cox of the First M. E. church and Rev. J. D. Randolph of the Buchanan Street Methodist church will speak.

The following is a statement issued by C. H. John, patriotic instructor of Sedgwick Post, and by Mrs. R. M. Black, patriotic instructor of the W. R. C.:

"To the people of Maryville:—Another Memorial day is near at hand. Friday, May 30, is the date. This day is so universally observed, North and South, East and West, that it has become, indeed, a national holiday. A joint committee of Sedgwick Post G. A. R. and of the Women's Relief Corps have already the arrangements well under way for the proper observance of the day. The contest feature last year between representatives of the various Sunday schools met with such universal favor that the committee decided on the same for this year and in exactly the same manner as last year. We earnestly hope that each of the five Sunday schools of the city will be represented in the contest. The prizes will be awarded the same as last year. The regular Memorial day exercises will be in the court house yard, much the same as last year. In order that we may get as large a benefit out of the day as possible, we ask the Commercial club, all of the various fraternal orders and all the people to join with us in these exercises. Turn out with your flags and banners and help to form a procession that all will be proud of. A complete program will be published about May 20."

## WILL SPEAK HERE.

Miss Mabel Carney of State Normal of Illinois at Normal to Talk to the Teachers.

County Superintendent W. M. Oakerson received a letter Wednesday from Miss Mabel Carney that she would be able to address the Northwest Missouri teachers' association to be held in Maryville on October 30, 31 and November 1. Miss Carney is connected with the State University Normal of Illinois and is the author of one of the reading circle books on rural community life. Her lecture will be given on November 1.

The teachers meeting this year will be a joint affair and the teachers of Nodaway, Andrew, Atchison, Worth, Gentry and Holt counties will meet here.

## SKIDMORE AFTER ROAD.

That Town Will Make an Effort to Secure the County Seat Highway to Oregon.

The citizens of Skidmore are getting busy to go after the county seat highway from Maryville to Oregon and stand a very good chance to secure the road. Graham will also make an effort for this road.

A number of other towns will also make an effort to secure these roads as there will be six of them.

## TAYLOR TO TEXAS

NORMAL PRESIDENT WILL LOCATE AT ARLINGTON.

## SONS-IN-LAW WITH HIM

Have Bought Carlyle Military Academy and Will Be Associated Together.

Prof. V. I. Moore, head of the department of Latin and French, and director of athletics at the Northwest Normal, announced Wednesday that he, together with former President H. K. Taylor of the Normal, and Prof. J. J. Godby, a son-in-law of Dr. Taylor, have purchased the Carlyle Military Academy, a preparatory school located in Arlington, Texas. The deal was made by Dr. Taylor, who is traveling through the South at present in an attempt to regain his health, and by Prof. Godby, who has been an instructor in the Texas institution for the past two years.

The Carlyle school has a staff of six teachers and an enrollment of about 75 students at the present time. The new management will take charge of the school at the beginning of the fall term in September. Professors Moore and Godby will act as principals and instructors in the institution while Dr. Taylor, who will be at the head of the school, will spend a large part of his time as solicitor for the institution.

Professor Godby is very favorably known in this locality, having attended the local Normal three years ago, and later served as superintendent of schools at Maitland. He resigned that position to accept the one which he now holds.

Professor Moore has been connected with the Northwest Normal for the past three years, during which time his work has been of the highest order. His crowning achievement as instructor of athletics here has been the management of the Northwest Missouri inter-high school track meet and literary contests for the last three years. His success in this work has been almost phenomenal. Mr. Moore will remain in the local institution until the end of the summer term, at which time he will submit his resignation to the board of regents.

Doctor Taylor's family will move to Arlington the last of this month.

## MATERIAL WILL BE HERE.

Thirty-Six of the White Way Poles Here by Thursday Noon—Other Material Here Next Week.

Manager C. C. Heilmers of the electric light company announced today that Maryville's white way for ten blocks in the business section will be completed by June 1 and will then be ready. Thirty-six of the poles will be here by Thursday noon and work will start at once on putting up these poles. The balance of the poles and the other material will be received next week. The cable is all in.

## TO HOLD FIVE-DAY SESSION.

Burlington Junction Will Have Chautauqua This Year.

Burlington Junction is to have a five-day chautauqua under the management of the Redpath-Vawter bureau. The organization was perfected Tuesday by the election of the following officials: President, Rev. L. C. Sappenfield; vice-presidents, R. D. Corkin, Rev. John W. Love and Lon Monk; secretary, Walter Mendenhall, and treasurer, R. H. Barber.

The dates selected are July 31 to August 4, inclusive. The assembly will be held in the Nicholas park in the south part of the town. Twenty-five business men and citizens are members of the organization.

## Sold Zenders Property.

The Dr. Zenders property on South Buchanan street was sold through Holmes & Wolfert, real estate dealers, to Miss Ella Risban.

Mr. and Mrs. C. Layman went to Excelsior Springs Wednesday morning for a few weeks' stay.

## CAPITALIZED AT \$12,000.

A New Corporation, The United States Copper Cable Co., Located Here.

The United States Copper Cable Co. is a new factory for Maryville and are manufacturing a system of lightning conductors called the "perfection system." Corporation papers were taken out recently and the stockholders of the company are John Z. Cernutt, G. Matter and Eldon Lloyd, Mr. Cernutt being president and manager, Mr. Matter, vice-president, and Mr. Lloyd, secretary-treasurer. The company is capitalized at \$12,000.

The "perfection system" of a practically straight soft copper cable of thirty-three wires with no joints, and the cable is so constructed that it has more circulation and ventilation than other cables on the market, giving it more surface, hence more conductivity and carrying capacity. It has a one-piece top without a joint, which is also in a class to itself, being formed in the shape of two half-round pieces when in position held firmly by clamps and elbows apart and in position on the cable, giving the inside as well as the outside surface of the metal as a conductor with six points on each top, giving double the carrying capacity of any other top on the market. This top, as well as the cable, is manufactured in Maryville.

## HEIRS REACH AN AGREEMENT.

Personal Effects of Late Millionaire, Alonzo Thompson of Denver, Divided.

A dispatch from Denver, Colo., says: All branches between the heirs of the late Alonzo Thompson were healed today at a dinner given by Mrs. Annie Laurie Thompson to Mr. and Mrs. E. P. Lindley of Nevada, Mo. Lindley, who is a lawyer and knows the cost of litigation, accepted the invitation of Mrs. Thompson with a view of settling all differences. Alonzo Thompson, Jr., also was present.

The four went to the old home of the Thompsons at 1176 Humboldt street and divided the personal effects. Each selected what he or she most desired, and then gave a receipt to Executor Albert Thompson. Mrs. Lindley will ship her portion to her home at Nevada, Mo., and Alonzo Thompson, Jr., will store his in Denver.

They separated with an agreement to meet today and divide the remainder of the property, about \$300,000 in notes and mortgages and real estate.

Lindley wishes to avoid the cost of an administration. The heirs have been satisfied with the will and the contest has been entirely over the place of probating the instrument.

## Jewel Art Club Meeting.

Miss Cleo Grundy entertained the Jewel Art club at her home Tuesday evening. There was the usual work and embroidery and an impromptu musical during the social hour by the guests. Luncheon was served. The members of the club present were Misses Maymie Brewer, Daisy Allen, Mildred and Lois Cummings, Hazel Martin, Hazel Gove, Angie VanHorn, Bernice Cast, Lola and Ora King. The absent members were Dora and Maggie Allen and Mayme Tilson. Miss Tilson was in St. Joseph for a day's visit with friends.

## Economics Division.

"Care and Preparation of Food" was the subject for the economics division of the Twentieth Century club, which met at the Elks' club Tuesday afternoon. To say that this was the best meeting of the season, would be unfair to other members, who in turn endeavored to make their part in the program, at previous meetings, interesting and instructive. Perhaps it was because it was the final meeting of the year and we were loath to leave, which made it seem of unusual interest. Mrs. John Lesh's paper, combining the two subjects, "Characteristics of Food Stuffs as Related to Their Cookery," and "Relation of Cookery to General Welfare," was carefully prepared and well received. Miss Rena Strum presented some new features in her paper on "Cookery of meats and eggs." Rather by preference than by force, it has been the rule for each one to prepare a paper upon the subject assigned her. Mrs. E. L. Harrington, however, departed from this rule and told in a clear, intelligent manner about the "Proper and Improper Use of Sugar." One member was heard to remark later: "What an accomplishment it is to be able to tell what you know without depending on a paper." Another thought it a good idea to have a system of training in our schools to develop or cultivate the faculty for making talks upon subjects presented—and it is not a bad idea. Miss Jessie Parcher conducted the discussion and it was all about sugar too. The kiddies will be glad to know that she and Mrs. Harrington succeeded in convincing most of the mammas that sugar and candy are wholesome and not harmful, unless eaten in excess. So be good, children, and you may have lots and lots of sugar and candy. At last month's meeting Miss Parcher's paper on "Home-made vs. Baker's Bread" was so well liked that it was repeated at this meeting by special request. There are breads and breads and she told most all about them—in such a way, too, as to make all of us wish to be real good breadmakers. A communication from Mrs. Ess of Kansas City imparted the pleasant news that it will be possible for her to visit Maryville in the near future. It will be remembered that Mrs. Ess was to have delivered a lecture to the Twentieth Century club and guests in March, but on account of illness, canceled the engagement. Mrs. Ess is appreciated in Kansas City for her work there along civic lines and is recognized throughout the state as being a most active and efficient club woman. As a grand finale to the oc-

casion, the chautauqua salute was given the retiring president, Miss Parcher, and the economics department adjourned to meet in September.

## CRYING FOR HELP.

Lots of It in Maryville But Daily Growing Less.

The kidneys often cry for help. Not another organ in the whole body more delicately constructed; Not one more important to health. The kidneys are the filters of the blood.

When they fail the blood becomes foul and poisonous.

There can be no health where there is poisoned blood.

## SYMPTOMS OF CONSUMPTION.

## Yield to Vinol.

The medical profession does not believe that consumption is inherited, but a person may inherit a weakness or tendency to that disease.

A prominent citizen of Evansville, Ind., writes: "I was ill for five months with a pulmonary trouble, and had the best of doctors; I had hemorrhages and was in a very bad way. Through the advice of a friend I tried Vinol, and I feel that it saved my life. It is all you recommend it to be. I believe it is the greatest medicine on earth. I have advised others to try Vinol, and they have had the same results." (Name furnished on request.)

Vinol soothes and heals the inflamed surfaces and allays the cough. Vinol creates an appetite, strengthens the digestive organs and gives the patient strength to throw off incipient pulmonary diseases.

Try a bottle of Vinol with the understanding that your money will be returned if it does not help you.—Orear-Henry Drug Co., Maryville, Mo.—Advertisement.

Mr. and Mrs. J. F. Hull and daughter, Elizabeth, went to Gallatin Wednesday for a short visit.

## Surest Way to End Catarrh.

Go to Orear-Henry Drug Co. and say: "I want a HYOMEI outfit." Take it home—pour a few drops of HYOMEI from the bottle into the little hard rubber inhaler—breathe it for five minutes and note the refreshing relief—breathe it four or five times a day for a few days and Catarrh and all its symptoms will gradually disappear.

Booth's HYOMEI is balsamic air; it contains no opium, cocaine or other harmful drug and is sold on money back plan for Catarrh, Croup, Colds and Coughs. Complete outfit (includes inhaler) \$1.00—extra bottles if later needed, 50 cents at Orear-Henry Drug Co. and druggists everywhere. Simple instructions for use in every package—you can't fail. Just breathe it—no stomach dosing.—Advertisement.

## Summer Board

in Colorado

Very Moderate  
Charges

"I'd like to go to Colorado," said a man the other day, "but it costs so much to live there that I'm afraid I—"

"Forget it," said his friend, who had spent a month last summer seeing the show places of the Wonder State. "I had the same idea myself last year until I got that folder the Burlington gets up telling the hotel rates. And I was mightily surprised to find that, besides the hotels, which are as elaborate as you please, there are hundreds of good, clean, wholesome ranch houses in Colorado, where the rates are as low as \$8.00 a week, and they give you mighty good fare."

That folder is published by the Burlington railroad to show folks how they can enjoy a vacation in Colorado at a very reasonable expense. And I'd like to mail you a copy of it—free. It tells all about the country, gives a complete list of hotels and boarding houses, addresses, rates, conveniences, elevation and nearby attractions.

Let me send these, and if you wish I can tell you all about the trains and cost of railway tickets to the most wonderfully charming country in America. Send me a postal quick.

### START ON THE NEW CAPITOL.

#### Ground Broken at Jefferson City While Officials Made Speeches.

Ground for the new state capitol was broken officially yesterday at Jefferson City in the presence of all the state officials, judges of the supreme court, municipal and county officers and a large number of citizens. Col. E. W. Stephens of Columbia, chairman of the capitol commission, was the master of ceremonies and turned the first spadeful of earth.

In his address to the gathering Colonel Stephens said he was willing to be placed in the Ananias club of the future if the new capitol was not dedicated within three years. He said it would cover three and one-half acres and be the most impressive capitol in the United States. The commissioners, he said, had pushed the work along as fast as possible, and he predicted that there would be none of the scandals so common in the construction of state capitols connected with the Missouri building.

Governor Major followed with a brief address in which he complimented the people of Missouri on their prospects of a fine statehouse and their good judgment on voting bonds to pay for it. He said the day's event would live in history, that there was not a person in Jefferson City now who saw the breaking of ground for the old capitol back in 1838, and many generations will have lived and died before the building about to be erected will be replaced.

Members of the commission and several of the state officers also furnished oratory. The work of constructing the foundation started yesterday afternoon.

#### Re-Arranging Fire Barn.

The interior of the fire barn in the old city hall building is being re-arranged and will make it much better. Instead of having the horses stalls back of the fire wagon, they will be placed one on each side of the wagon. The space the stalls formerly occupied will be used for a feed room. Back of this will be the city jail.

Many of the city officials are busy today working on the building. They were Mayor Robey, Marshal Moberly (in his working clothes), Claude Stultz, the fire driver, and a few others.

#### Mothers' Day at Pickering.

The Methodist and Christian churches at Pickering will observe Mothers' Day tomorrow. The coming Sunday with programs at both the morning and evening services. The programs are not quite completed.

Mrs. C. C. McMillen spent the day Tuesday in Maryville with friends.

Mrs. Edith Alexander returned Tuesday night from a visit with St. Joseph relatives and friends.

OF COURSE you admit the value of the automobile for any one who has to go from one place to another—and wants to get there and back quickly.

Overland Model 69T  
Price \$985 F. O. B. Factory

We all agree on that point.

The cost of the automobile is what is worrying you, maybe.

You wonder is it worth the money—to you.

Have you ever noticed that when a man buys an automobile, and, after using it, either in his business or for pleasure, or for both, sells it, always buys another one?

Yes? Well, that's the answer.

Buy an automobile, find out that its price is an investment rather than an expense, and you can't do without it. You wouldn't want to.

Because you will have found that the car is worth more to you than it cost you, that it has added to your capacity of doing business, that it made one hour do the work of three, that the store, the theatre, the folks ten miles away, have suddenly become your next door neighbors, that it has given a store of health to you and your family.

Which automobile?

The Overland—because it is the best value that money can buy.

Whatever your notions are as to what an automobile should be to do justice to your requirements, whether you value power, comfort, impressive appearance, low cost of upkeep, or the kind of durability—Overland durability—that makes the possession of a car a source downright satisfaction, you can't afford to consider any automobile without first investigating the new Overland.

At least come and have a look at it. Take a ride, then ask those who have already bought. Compare it with others.

Then draw your own conclusions. That's all we ask.
